### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Stowe on May 4/ 2005.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 49-52.

Accordingly, claims 49-52 have been cancelled.

### ***Allowable Subject Matter***

Claims 1-48, 53-59 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 14, 24, 34, 53 and 56, more particularly define the structure and method of making an optical head for recording and reproducing of information on a recording medium. The optical head comprises of a substrate, a Vertical Cavity Surface Emitting Laser (VCSEL) formed on the substrate. A photodetector also formed on the same substrate and an optical system formed over the VCSEL by thin film deposition. This particular structure combined with remaining claim elements are not suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ALI NEYZARI whose telephone number is 571-272-7622. The examiner can normally be reached on Mon-Thurs from 9:00 AM TO 5:30 PM.
